Mr. Walter Elder
Review Staff
Central Intelligence Agency
Langley, Virginia

Dear Mr. Elder:

(1) As part of the Committee's evaluation of the work of the Katzenbach Commission and the effects of the Commission's recommendations, the Committee would appreciate having full and complete information on the direct or indirect involvement of the CIA with U.S. academic or research institutions and with individuals affiliated with such institutions. This survey should include both past and current relations. Please interpret "past" as after 31 December 1967. It would be most helpful to have this information in the same format as the Agency's responses of August 14 and September 18 concerning CIA relations with U.S. media organizations and religious groups.

(2) In addition to these surveys I want to request a 1968 and current DDO breakdown of relationships with U.S. academic or research institutions in the following format:
